

What Does A Chieftain Do?

I will face the challenges before me,

I will not run and hide.

I know my teachers love me,

They will always be by my side.

But when it comes to MY success,

There are things that I must do.

I must think, act, and show, that I can handle anything new.

Chieftain Pride will always guide me,

No more working to just to get by.

I will have courage to learn, achieve, win, and succeed,

And I will hold my head up high.

But when it comes to MY success,

There are things that I must do.

I must think, act, and show, that I can handle anything new.

When I walk through these doors every day,

My work will be done with pride.

I will listen to what other have to say,

And my dreams will not be denied.

But when it comes to MY success,

There are things that I must do.

I must think, act, and show, that I can handle anything new.

I WILL think, act, and show, that I can handle anything new!
