Vale Elementary is still offering specialists online. These classes are available for all students and we hope you will join us for Music, Pe, Science, Leadership, & Library each week! Click on the “Specialists” tab on the website.

**Music:** Meet me for live Music classes on Zoom! You can attend 1, 2, or 3 classes each week. Join with your grade level for music, movement, and fun! Be on time, have your cameras on and your mics on “mute.” We’ll be using a lot of activities from [www.MusicplayOnline.com](http://www.MusicplayOnline.com), and you can use this interactive website, too. ~Mrs. Keene

**PE:** Be sure to exercise every day, and check out my videos on the Vale website each week for new ideas. Keep moving, Vale Eagles! Mr. Clean

**Science:** Science class will be on your own through *Mystery Science*. The links will be updated weekly on the website under the "Specialists" tab. You can explore at your own pace and print out your own guides, or simply watch the videos- it's up to you! Each grade level will have its own unit of study and follow the NGSS standards. Stay curious, Vale Eagles! -Mrs. Hill

**Leadership:** Hello Leaders! Each week, Mrs. Davidson will be sharing a lesson on leadership with you. These lessons will be full of fun, amazing videos and lessons that you will use your whole life long. You can watch these lessons any time you would like, and you can even watch them over and over! Each Wednesday, a new lesson will come out to you on the Cashmere Vale website. See you there!

**Library:** Be sure to watch the Library Video each week, and remember to send Ms. Foust an email with your book requests. Please include the Title and Author’s name for each book, and don’t forget to add your teacher’s name in the email! You will be able to pick up these books and also return any finished books on Thursday packet pick up.
