Assignments and Homework

- There should not be any homework for this class as we will be working daily on leadership activities all throughout the year AND working on our year-long project... the yearbook.
- This class really focuses on your SKILLS and TALENTS, so what you do in this class may look different than what others are doing.

I am SO excited that you are in my class this year! I look forward to working with each and every one of you to make this school year the best one yet!!
