

# Yearbook Class!

Journalism, technology, and more!

## Course Description

The main objective in yearbook is to plan, create, publish, and distribute the Cashmere Middle yearbook for the school year. In addition, this class will also include photography, technology, videography, and art! There is so much to do when it comes to this project!

- learn photography skills
- attend school functions
- promote yearbook sales
- teach students how to create their custom pages in the yearbook

### Goals:

- hone grammar skills
- use technology for production and publication of videos and the yearbook.
- distribute yearbooks

## Assignments and Homework

- There should not be any homework for this class as we will be working daily on our year-long project... the yearbook.

- This class really focuses on your SKILLS and TALENTS, so what you do in this class may look different than what others are doing.

In addition we will have some extra time to use for study hall, learning Spanish, creating podcasts and more. I think you will really enjoy being a part of this very creative, busy class!
