CASHMERE SCHOOL DISTRICT
ATHLETIC CODE

The Cashmere version of an athlete is one who can be admired, respected and emulated. This code was created to outline expectations for Cashmere athletes so they may be in top physical condition and become positive role models.

One major purpose for maintaining an athletic program is to assist students in developing value systems that encourage self-discipline and personal responsibility. This document describes expectations, guidelines and procedures governing students who participate in the Cashmere Athletic Program. A Student is governed by the athletic code beginning when he/she first participates in interscholastic athletics in the Cashmere School District. Athletes in grades 7-12 are expected to abide by the provisions of the athletic code major violations section for the entire calendar year. The sports season starts on the first day of practice and ends with the awards ceremony.

The process of following these guidelines, and any resulting discipline, should create positive learning experiences designed to develop attitudes and values that will assist students as they move toward adulthood.

I. STANDARDS AND GUIDELINES:

A. CURFEW: Curfew hours are a necessary part of training because athletes cannot perform well without adequate rest.

   During their sports season, athletes are to be home by the curfew times indicated below:

   1. The standard curfew hours are:
      - High School
        - 10:30 p.m. weekdays
        - 12:30 a.m. weekends (Fri.-Sat.)
      - Middle School
        - 9:30 p.m. weekdays
        - 11:30 p.m. weekends (Fri.-Sat.)

   2. Coaches of each sport may adjust times to fit their program needs or special circumstances.

B. DRESS AND GROOMING: The example set by an athlete should be among the best in school. This includes general behavior and appearance.

   1. During the sport season, boys’ hair shall be kept clean, neat and not excessively long or cut or colored in a manner to attract unusual attention. There will be no beards or other forms of facial hair worn by athletes. Sideburns are not to go below the earlobe.

   2. During the sport season, girls shall maintain an appearance that is neat and well groomed. Extremes in dress and hair styles shall be avoided.

   3. Undergarments worn during competition shall not be a color that attracts unusual attention (bright colors warn under a white uniform, bright compression shorts, etc.)

   4. Athletes are required to dress for at least one contest per week: *(designated by the coach)*

   5. Boys: A shirt, tie, and dress pants or a team shirt or jersey when designated by the coach. Girls: Dresses, skirts, dress pants and blouses, or team shirts or jersey when designated by the coach. Dress pants should be worn with jerseys or team shirts.

C. FINANCIAL REQUIREMENTS:

   Student athletes must be in good financial standing with Cashmere School District. They must purchase an ASB card and pay the athletic fee (only one athletic fee must be paid per school year). If a student is on the “fine list” for other fees (dues, vocational fees, library or textbooks, etc) they will not be eligible to participate until the amount is cleared or a suitable payment arrangement has been made in writing with the athletic director/office. (Some financial help may be available upon request, contact the Athletic Director)
D. **ACADEMIC REQUIREMENTS:**

Students who participate in athletics are encouraged and expected to develop their academic potential. The coaching staff and administration are committed to creating an environment that fosters academic success for students regardless of their ability level.

**HIGH SCHOOL REQUIREMENTS:**

Minimum academic requirement:
1. Grades will be checked by the athletic director every 4½ weeks (matching our current grading periods).
2. If a student has less than a 2.0 cumulative GPA;
   a. He/she will be required to attend “Study Table” for the assigned two week period.
      i. Students that fail to attend a Study Table without valid excuse will be in violation of a minor infraction.
      ii. Multiple violations will result in a major infraction.
3. If a student is failing any class;
   a. He/she will be ineligible until a plan of improvement has been created by the athletic director with input from the student and the teacher. This plan needs to be signed by the teacher, parent, student and athletic director detailing what the student needs to succeed. Any violation of the plan would result in immediate ineligibility.
   b. He/she will also be required to attend “Study Table” for the assigned two week period. The student will then be required to have weekly grade checks for the remainder of the grade check period.
      i. Students that fail to attend a Study Table without valid excuse will be in violation of a minor infraction.
      ii. Multiple violations will result in a major infraction.
   c. If a student continues to fail the same class after two weeks of study table, he/she could be ineligible until the next grade check.
4. If a student is failing more than 90 minutes’ worth of class at grade check, he/she is automatically ineligible until next grade check.

**MIDDLE SCHOOL REQUIREMENTS:**

1. In the absence of GPA (which will not be generated with standards-based report card), CMS determines athletic eligibility based on grade reports from teachers indicating which students are not performing up to expectations in their academic classes and/or those who consistently struggle to meet established behavioral expectations. These reports address WIAA compliance guidelines and help identify students who may be in need of additional support.
2. Teacher reports will be checked by the athletic director two weeks after each season begins. They will continue to be checked every other Friday throughout the season for all athletes. Coaches will receive an emailed list of athletes who are not meeting standard. The first time an athlete is not meeting standard, they will have a probationary week to improve their performance.
3. Athletes not meeting standard in a class will be called to the office on Fridays. The current situation and next steps will be explained. A letter will be attached requiring a parent signature. As soon as an athlete is able to prove they are meeting standard by showing a teacher’s note to office staff, the coach will be notified that eligibility is reinstated. However, once the athlete is determined to be academically ineligible they will be required to miss a minimum of one contest.
4. Students who are academically ineligible will be allowed to practice but will be suspended from competition and not be allowed to travel with the team until eligibility is reinstated.
5. It will be emphasized that school comes first and coaches will allow athletes to show up late to practice if they need to stay after school to work with teachers. If this is the case, athletes must communicate this to the coach prior to staying after and come to practice with a teacher note.
E. INAPPROPRIATE POSTINGS ON SOCIAL MEDIA
In keeping with the philosophy that the Cashmere version of an athlete is an individual who is in top physical condition and is a positive role model for others; Athletes are prohibited from making inappropriate postings on social media. This includes but is not limited to:
