

Gordon K. Irle Memorial
Scholarship
by Wacoka Kiwanis of Cashmere
Scholarship Guidelines

1. The applicant must be a graduating senior of Cashmere High School with a G.P.A. of at least 3.0 and planning to attend a post graduate school majoring in Physics/Science.
2. The primary criteria for selecting the recipient will be service to community, church and/or school. Service is an activity which is of benefit to someone other than yourself. It may include some positive feelings for yourself but the primary objective should be to benefit others. For example, attending church is satisfying , but teaching Sunday School is service; meeting as part of a club is fun, painting someone's house as a club project is service; being on a team is fun, being the manager is a service. There are many other services you can perform but remember that the goal is provide a service to someone else without some kind of payment to you other than satisfaction.
3. In the case of equally qualified applicants, preference will be given to the immediate family of a Kiwanis member or a member of Kiwanis Key Club. (Immediate family includes children, stepchildren, grandchildren and siblings.) Need will also be considered.
4. Not more than five members of the Wacoka Scholarship Committee will select the recipient on the basis of an application which will be completed by the applicant. The applications will be distributed by the Cashmere High School counselor, returned to the counselor by April 10th and sent to the committee without names.
5. The amount of the scholarship will be determined at a later date and will be sent to the school of the recipients' choice upon verification of his/her enrollment.
