Purpose: To engage students in building positive relationships with others while growing their language and reading skills and encouraging them to be successful humans.

Goal: To read English proficiently with both fluency and comprehension as well as, develop academic vocabulary.

Using:

\*Phonics for Reading-strategies to decode words

\*Rewards program-strategies for reading multisyllabic words

\*Lexia CORE5 and Power Up program- software to improve reading skills: decoding, vocabulary, reading comprehension, fluency and grammar.

\*Fluency practice-timed reading to improve fluency

Each of these activities will contribute to a student's daily work grade which will be pass/fail for the quarter.

#### Daily expectations for classroom behaviors

- Be on time
- Be prepared with materials
- Pay attention to teacher and text
- Try your hardest and do your best
- Be respectful to teachers and classmates

This will be reported out as a behavior grade, Exceptional (E), Satisfactory (S), or Unsatisfactory (U)

Students will record their own progress by reflecting on in class assessment results bi-monthly. This reflection will be sent home to parents. Once a student achieves standard, he/she will be exited from this academy class and moved to an appropriate academy class.
