

FIELD TRIPS, EXCURSIONS, AND OUTDOOR EDUCATION

Field trips are defined as travel away from school premises, under the supervision of a teacher, with an approved course of study, for the purpose of affording students a direct learning experience not available in the classroom. The transportation costs for all such field trips conducted during school hours shall be borne by the district. The following procedures shall apply:

Field Trips

- A. Each school shall receive a field trip allocation.
- B. The staff member shall submit a completed field trip request form to the principal at least two weeks prior to the field trip.
- C. The staff member shall contact the site to make specific arrangements for the field trip so that the desired activity can be coordinated with the classroom studies.
- D. The staff member shall be responsible for securing additional adult supervision for the trip (one adult to a maximum of ten students).
- E. If private vehicles are used, field trip forms shall be completed which acknowledge the name of the driver of each vehicle to be used.
- F. Each student participating in a field trip must first return a permission slip signed by his/her parent. Parents shall be informed if private vehicles are to be used for the field trip.

Outdoor Education

- A. The outdoor education plans for the coming school year shall be presented to the board for approval and will be governed by district program procedures.
- B. All staff to be involved shall be notified of plans after board approval.
- C. The proposed curricula for the outdoor education school shall be presented to teachers at least one month prior to the session.
- D. Information to parents regarding fees and waivers or reductions if offered, special clothing, dates, supervising proposed activities, and other duties shall be sent to parents at least one month prior to the session. The parent must sign an approval form.
- E. If feasible, parents may opt to have their child participate in daytime activities only.
- F. Students who do not elect to attend shall engage in meaningful learning experiences at school.
- G. Students must purchase accident insurance or have family accident insurance.
- H. If the district can absorb the cost or has access to funds to cover waivers or reductions, students who are unable to pay the fee may be granted a waiver or reduction if they meet the USDA Child Nutrition Program guidelines.

Overnight Field Trips

- A. The staff member must submit to the principal a district travel request, including purpose, supervision, itinerary, cost, housing, and student costs (if any.)
- B. After approval by the principal, the proposal should be submitted to the superintendent prior to the board meeting.
- C. The staff member should attend the board meeting to answer any questions the board may have.
- D. The Superintendent will evaluate requests and refer those of unusual nature to the Board. After approval by the board, a written description of the overnight field trip shall be sent to the parent. All such field trips are optional. Parent permission is required.
