

INTERNATIONAL EXCHANGE STUDENTS

The board recognizes the value of student exchange programs and/or the hosting of qualified foreign students. Such programs may be approved when admission of an exchange student does not adversely affect the instructional program of the district. The superintendent is authorized to review and approve organizations that propose to offer a foreign/domestic travel-study program. Such programs must be approved by the State Attorney General's office prior to consideration for admission.

The superintendent is directed to develop procedures, including but not limited to, criteria for program sponsors, responsibilities of sponsors, enrollment standards, co-curricular participation, and graduation requirements.
