

### **DISTRICT NOTIFICATION OF JUVENILE OFFENDERS**

A court will notify the common school in which a student is enrolled if the student has been convicted, adjudicated, or entered into a diversion agreement for any of the following offenses: a violent offense, a sex offense, a firearms offense, inhaling toxic fumes, a drug offense, liquor offense, assault, kidnapping, harassment, stalking or arson. The principal must inform any teacher of the student and any other personnel who should be aware of the information. The information may not be further disseminated.

A student convicted, adjudicated, or entering into a diversion agreement for an assault, kidnapping, harassment, stalking, or arson against a teacher shall not be assigned to that teacher's classroom during the duration or the student's attendance at that school or any school to which the teacher is assigned. Neither shall the student be assigned to a classroom where another student who was his or her victim for the offense is enrolled.

The state department of social and health services will notify the board of directors in writing at least thirty days before a juvenile convicted of a violent offense, a sex offense or stalking is discharged, paroled, given authorized leave or otherwise released to reside in the district. The department will also notify the district if any adjudicated victims of a juvenile sex offender are registered with the department and on record as attending a school within the district that the juvenile sex offender might otherwise attend.

A community residential facility to which an adjudicated juvenile is transferred shall provide written notice of the offender's criminal history to the district if the juvenile is attending school in the district while residing at the community residential facility.
