Cashmere Chieftain Families,

Happy St. Patrick's Day Chieftains! As you are aware, all schools will be closed to students and families from March 17<sup>th</sup> – April 24<sup>th</sup>.

On Monday, our teachers made sure that all students in attendance brought home the following items:

- Instruments
- PE uniforms
- Library books
- Chromebooks & chargers
- Any work teachers had ready to send home
- Teacher contact information

If your student was not in school Monday, they can pick up their belongings Thursday or Friday between 7AM & 4:00PM.

CMS will be closed March 17<sup>th</sup> & 18<sup>th</sup> for deep cleaning. Our staff will report to work on March 19<sup>th</sup> & 20<sup>th</sup> to develop extended learning opportunities for students to work on while at home. These extended learning opportunities are not meant to replace what our students would get from regular school programming. CMS staff will be ready to communicate with families on Monday, March 23<sup>rd</sup> regarding ongoing extended learning opportunities.

We will be honoring our previously scheduled Spring Break the week of April 6<sup>th</sup> -10<sup>th</sup>. During this time teachers will not be available to answer student questions. The school calendar will be adjusted for the missing days and school will get out June 19, 2020.

Thank you for your patience and grace as we navigate this unusual turn of events. We will really miss seeing your students in the hallways of CMS every day.

I plan to send weekly updates on Mondays until school resumes.

Stay healthy,

Sara C. Graves
